GAIL (INDIA) LIMITED

Enhancing Healthcare Excellence with Community Support

In a remarkable initiative to uplift the healthcare standards for the underserved, the **GAIL (INDIA) LIMITED** has supported Balaji Heart Hospital & Diagnostic Centre by providing financial assistance to the children's suffering from Congenital Heart Disease.

This generous contribution, valued at **Rs. 30,00,000/-**, has significantly helped in successfully recovering **10 children's** who were suffering from Congenital Heart Disease. Through this support the poor patients received the best possible medical care.
