Enhancing Healthcare Excellence with Community Support

In a remarkable initiative to uplift the healthcare standards for the underserved, the **Oil India Limited (OIL)** has extended its support to Balaji Heart Hospital & Diagnostic Centre by providing financial assistance to the patients suffering from Congenital Heart Disease.

This generous contribution, valued at **Rs. 50,00,000/-**, has significantly helped in successfully recovering **17 children's** who were suffering from Congenital Heart Disease. Through this support the poor patients received the best possible medical care.
